Communication. You are expected to let the director know if there are any concerns, questions, conflicts of schedule etc.

Direct-ability. You are expected to allow yourself to be directed.

Rehearsal behavior. Respectful (of others; of facility), attentive, positive, committed.

Finances:

The Winter Theatre Arts Camp is offered at no cost to campers due to a generous grant from Deerfield Charitable Trust. Each camper receives a tee shirt, script, rehearsal cd, instruction. The cost for the public performances is Pay-What-You-Can.

Though the cast can be fairly large, we may not be able to cast everyone who auditions. Behavioral issues, lack of motivation or cooperation may result in a student being released from the opportunity for participation. Also, if there are too many conflicts with rehearsal times, it is likely the student will not be able to participate.

The audition form on the back of this sheet must be filled out and signed by a parent/guardian and turned in at the sign-up/audition. No one will be auditioned without parental permission.
