Rehearsals

You are expected to be at all scheduled rehearsals. The basic times are 3:40-5:30. Be very clear on your audition sheet to indicate any dates or times you absolutely cannot attend rehearsals. (It is possible that you will not be cast if you need to miss rehearsals.) You must commit to the full run of the camp.

Responsibilities

Line/song memorization. You will be expected to memorize lines/songs on your own.

Communication. You are expected to let the director know if there are any concerns, questions, conflicts of schedule etc.

Direct-ability. You are expected to allow yourself to be directed.

Costumes. You will be expected to provide some of your own costume, trousers of some kind. A tee shirt will be provided. Costume possibilities will be forthcoming.

Rehearsal behavior. Respectful (of others; of facility), attentive, positive, committed. HG reserves the right to dismiss any camper who fails to comply with above responsibilities.

Finances:

The Winter Theatre Arts Camp is offered at no cost to campers due to a generous grant from ????. Each camper receives a tee shirt, script, instruction. The cost for the public performances is Pay-What-You-Can.

Though the cast can be fairly large, we may not be able to cast everyone who auditions. Behavioral issues, lack of motivation or cooperation may result in a student being released from the opportunity for participation. Also, if there are too many conflicts with rehearsal times, it is likely the student will not be able to participate.

The audition form on the back of this sheet must be filled out and signed by a parent/guardian and camper and received by **March 16**; either scanning to hamgib@gmail.com or USPS sent or brought to HG Office, or 29 Water Street, Wellsboro. No one will be auditioned without parental permission.
